HLADNI TRETMAN

COLD TREATMENT

Tretman za teške i oštećene noge - za osjećaj lakoće u nogama, idealno za osobe koje dugo stoje i dosta putuju. Poboljšava cirkulaciju i sprječava osjećaj težine u nogama zahvaljujući termičkom efektu (toplo / hladno).
Treatment for heavy and swollen legs - for a feeling of lightness in the legs, ideal for persons who stand for a long time and travel a lot. It improves circulation and prevents the feeling of heaviness in the legs, thanks to the thermal effect (hot / cold).
